9 ANTONIO DARNELL ROBINSON,

10 Petitioner,

Case No. 2:11-cv-00321-MMD-CWH

11 v. ORDER

12 ANTHONY M. SCILLIA, et al.,

13 Respondents.

14
15 In this habeas action, petitioner has not responded to the Court's order finding
16 that Ground 2 is not exhausted and directing that he file a motion for either full
17 dismissal, partial dismissal of only Ground 2, and/or other appropriate relief (dkt. no.
18 11). The order informed petitioner that the entire petition would be dismissed without
19 prejudice for lack of complete exhaustion if an appropriate motion was not timely filed.

20 IT IS THEREFORE ORDERED that the petition shall be DISMISSED without
21 prejudice. The Clerk of Court shall enter final judgment accordingly, dismissing this
22 action without prejudice.

23 DATED THIS 1st day of April 2013.
